## **Minutes 11/12/2009**

Present: Commissioners Michele Hassler, William McCarthy, and Acting Cemetery Supervisor, Jason Jones

1. No meeting was held in October therefore September minutes were approved.
2. 6 Deeds were signed.
3. Reviewed a letter from Anne Mazzola for a bench request for BB-169.  
Commissioners vote no as we have designated spaces for new benches and replacement of old ones.
4. Call the Lawless family and let them know that they should replace the marker at their expense.
5. Discussed the DeSousa disinterment of cremains and the purchase of a new grave. She likes U-263A. She has been informed that the marker they have will not be appropriate for most locations.
6. Michele stated meetings have been held regarding Cooke's Hollow.
7. Bill will talk to the Town Manager about a letter notifying the abutters of the new cemetery fence.

Meeting adjourned at 10:20 and next meeting is scheduled for December 10, 2009

Respectfully Submitted,  
Jean Smith, Sr. Clerk
